Dear Mr. Quandt, *Bill*

I would like to invite you to participate in a two day seminar on the Third World which the DCI's Intelligence Producers Council will sponsor on 21 and 22 October 1982. The Seminar will meet at the Department of State, Washington, D.C., and I shall function as Chairman.

The Seminar will provide a forum for senior and analyst-level members of the Intelligence Community, executives from consumer agencies, and distinguished academicians to interact on questions pertaining to information needs on the Third World. A series of informative presentations will be interspersed with periods of panel discussion, all designed to provide a stimulating environment for the exchange of ideas.

I would be grateful if you would consider addressing the Middle East/South Asia panel on your perceptions of the Muslim World, especially those areas of concern which you consider most significant for the United States over the short and long terms. If you agree, your presentation and panel discussion will be scheduled for one hour on the afternoon of 21 October.

Your travel and subsistence costs will be reimbursed in accordance with standardized government regulations should you attend. Please contact the action officer for the seminar to convey your decision or to receive additional information. [redacted] Chief, Intelligence Producers Council Staff, can be contacted on [redacted]

Sincerely,

Henry S. Rowen
 Chairman
